

MADE IN MICHIGAN

SUPPORT MICHIGAN'S ECONOMY.
EARN EVEN MORE REBATES.

Install energy efficiency home improvement products that are at least 50 percent manufactured in Michigan and you can also:

- Help the local economy
- Earn bonus rebates from Consumers Energy in addition to the standard rebate amounts*

Made in Michigan (MIM) Product	Insulation and Windows Program Rebate Amount		MIM Bonus Rebate Amount*
	Electric Customers	Natural Gas and Electric Customers	
Roof (Attic) Insulation - R-value of 48 or less (minimum of 500 square feet of attic area)	\$50	\$125	+\$100
Roof (Attic) Insulation - R-value of 49 to 59 (minimum of 500 square feet of attic area)	\$60	\$175	+\$100
Roof (Attic) Insulation - R-value of 60 or higher (minimum of 500 square feet of attic area)	\$70	\$200	+\$100
Above-Grade Wall Insulation (minimum of 500 square feet of wall area)	\$50	\$125	+\$50

Ask your participating contractor which Made in Michigan products and equipment can be used for your next project.

To learn more, visit ConsumersEnergyeed.com
or call **866-234-0445**.

*The MIM rebates are in addition to the rebates offered by the standard Insulation and Windows program. In order to receive MIM rebates, standard rebate qualifications apply. Funding for the MIM program, like all other Consumers Energy rebate programs, is limited and available on a first-come, first-served basis. Rebates are not guaranteed and are subject to change.
