

New Home Construction Program

Michigan Home Energy Rating System (HERS) Raters Contact Directory

To participate in the program, the builder must reach out to a rater to establish a contract, provide home plans, and inform the rater that the site is ready for inspection. HERS rater services encompass a rough inspection and a final inspection, which includes diagnostic blower door and duct testing.

Rating Company	Rater Name	Rater Phone	Rater Email	Residential Service Territory (Michigan)	ENERGY STAR® Certified
Absolute Green Energy Solutions	Bonnie Lalka-Morehead	309-360-1011	bonnie@absolutegreen.org	Northern, Upper Peninsula	✓
