IV. Maximizing the Efficiency of the Wi-Fi Enabled Thermostat

Complete this section ONLY if a Wi-Fi enabled thermostat was installed.

I certify that (check all that apply):

- I have reviewed my newly installed thermostat and the work is to my satisfaction.
- I have been provided a copy of *Tips for Using Your New Programmable Thermostat*.
- I have been educated by my contractor on the proper programming and use of my newly installed thermostat, and I feel comfortable that I am able to maximize the efficiency offered by this device.

This chart is to be completed by the contractor during installation:

Winter Programmable Thermostat Settings			Summer Programmable Thermostat Settings		
Period	Time of Setting	Setting °F	Period	Time of Setting	Setting °F
Awake			Awake		
Leave			Leave		
Arrive			Arrive		
Sleep			Sleep		

V. Terms and Conditions

APPLICATION: This application and any required additional documentation, including the homeowner-contractor contract agreement, must be filled out completely, truthfully and accurately. Participants are advised to retain a copy of this application and any accompanying documentation submitted to Consumers Energy under the Home Performance with ENERGY STAR (HPwES) program. Consumers Energy will not be responsible for lost documentation pertaining to this application request. This program covers projects completed and installed on or after Jan. 1, 2023. Details of this program, including incentive levels, are subject to change or cancellation without prior notice. This application, with required documentation, must be received within 30 days of installation completion and within six months of the HPwES home energy assessment. Only one rebate is available for each qualifying heating and cooling unit purchased or serviced. Funds for incentives are limited and available on a first-come, first-served basis. Incentive amounts are valid through Dec. 31, 2023. Please allow six to eight weeks for incentive processing. Please call 877-40-HPWES (47937) or visit ConsumersEnergy.com/homeperformance for the most up-to-date program details.

ELIGIBILITY: This offer is valid for Consumers Energy residential natural gas and/or electric customers applying only through the Consumers Energy HPwES program. Participants must be Consumers Energy electric customers who have either electric heat or central air conditioning, or natural gas customers with central gas furnaces or gas boilers. Participant homeowners must use a Consumers Energy Trade Ally contractor that is an active participating contractor in the Consumers Energy HPwES program. Visit ConsumersEnergy.com/homeperformance for a list of active contractors. Single-family dwellings, including condominiums and townhouses, must be individually owned and metered for natural gas and/or electricity. This offer is not valid for new additions, garages, enclosed porches, new construction homes, multiple rental units managed or owned by a third party, mobile homes or commercial properties unless otherwise approved by Consumers Energy. For other programs and eligible incentives, please visit ConsumersEnergy.com/myhome.

APPROVAL, VERIFICATION AND INSPECTION: Prior to any payment of incentives, Consumers Energy reserves the right to verify all installed energy saving measures. Participant's contractor will verify that the installed energy saving measures meet all applicable building codes; zoning laws; local, state and federal requirements; and other relevant requirements. Contractor is responsible for any applicable permits as required by code/law. Participant's home also may be selected for a quality control post-installation inspection by the Program Implementer, ICF. No warranty is implied by this inspection.

PROOF OF PURCHASE: An invoice marked as "paid in full" for energy improvements must accompany each HPwES rebate application. The invoice must include an itemized breakdown of work indicating insulation levels, infiltration reduction, duct sealing, heating, cooling and water heating improvements (type, make, model and serial numbers), lighting, water heating measures (type, make, model and serial numbers), home location and the date of contract.

PAYMENT: Please allow six to eight weeks for payment. Payment processing may take longer if information is missing on the application. Please call 877-40-HPWES (47937) if you have questions about your incentive or accompanying documentation.

TAX LIABILITY: Consumers Energy will not be responsible for any tax liability that may be imposed on the homeowner as a result of the payment of incentives. Please contact your tax adviser for more information.

FACSIMILE/SCANNED DOCUMENTS: Facsimile transmission of any signed original document, and the retransmission of any signed facsimile transmission, will be the same as delivery of the original signed document. Scanned original documents transmitted to the Program Implementer, ICF, as an attachment to electronic mail will be the same as delivery of the original signed document. At the request of Consumers Energy, the participant must provide the original document to confirm documents sent with a facsimile-transmitted signature or a scanned signature.

NO ENDORSEMENT: Consumers Energy does not endorse any particular manufacturer, product, system design, claim or contractor in promoting this program.

INFORMATION RELEASE: Participant agrees that Consumers Energy may include participant's name, Consumers Energy services used and resulting energy savings in reports or other documentation submitted to the Michigan Public Service Commission. Consumers Energy will treat all other information gathered in evaluations as confidential and report it only in the aggregate.

LIMITATION OF LIABILITY: Consumers Energy's liability is limited to paying the applicable incentive. Consumers Energy IS NOT LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES OR FOR ANY DAMAGES CONNECTED WITH OR RESULTING FROM PARTICIPATION IN THIS PROGRAM. Consumers Energy reserves the right to not pay this incentive if the form is not filled out completely and accurately.

WARRANTIES: Consumers Energy DOES NOT WARRANT THE PERFORMANCE OF MEASURES OR OF INSTALLED EQUIPMENT EXPRESSLY OR IMPLICITLY. Consumers Energy makes no warranties or representations of any kind, whether statutory, expressed or implied, including without limitation, warranties of merchantability or fitness for a particular purpose regarding any energy efficiency measure provided by a manufacturer, contractor or vendor. Contact your contractor for details regarding equipment/measure performance and warranties.

PROPERTY RIGHTS: Participant represents that they have the right to complete and/or install the energy saving measures on the property on which those measures are completed and/or installed and that any necessary landlord's consent has been obtained.

PARTICIPANT'S CERTIFICATION: Participant certifies that they have purchased and have agreed to install the eligible improvement measures and equipment listed in this Rebate Application at the defined location. Participant agrees that all information is true and that they have conformed to all program and energy efficiency improvements and equipment requirements listed.

VI. Signatures

Consumers Energy Home Performance with ENERGY STAR incentives from Consumers Energy cannot be processed unless all of the appropriate fields of this Rebate Application are complete. **Rebate checks from Consumers Energy are always issued in the name associated with the account number** (active at the time of installation) and service address, regardless of the name entered on this application and/or invoice unless reassignment is requested in section VII below. Please be sure you have read the terms and conditions of this agreement. Attach a copy of a signed contract along with a detailed scope of work indicating eligible improvements, including insulation levels, infiltration reduction, duct sealing, and heating, cooling and water heating improvements (type, make, model and serial numbers), and the date of installation.

I certify that (check all that apply):

- The participating contractor explained the Consumers Energy rebates, the measures installed and the requirements of the program.
- The Comprehensive Home Assessment report was provided by the participating contractor and reviewed in detail to my satisfaction.
- The participating contractor was neat, timely and professional, and left my home in satisfactory condition after the work was completed.
- The participating contractor gave me a direct contact and the ability to communicate with them for further information.
- The participating contractor met all my needs and I would recommend the contractor and the HPwES program to family and friends.

I HAVE READ AND UNDERSTAND THE TERMS AND CONDITIONS ABOVE. I CERTIFY THAT THE INFORMATION I HAVE PROVIDED IS TRUE AND CORRECT AND THE IMPROVEMENTS, PRODUCT(S) AND/OR EQUIPMENT FOR WHICH I AM REQUESTING AN INCENTIVE MEET THE REQUIREMENTS IN THIS AGREEMENT.

Once the agreement is completed, provide the signed copy to your contractor to submit with your incentive application.

VII. Rebate Reassignment (optional)

Complete this section ONLY if incentive is to be paid to an entity other than the name associated with the Consumers Energy account.

I AM AUTHORIZING THE PAYMENT OF THE INCENTIVE TO THE THIRD PARTY NAMED BELOW, AND I UNDERSTAND THAT I WILL NOT BE RECEIVING THE INCENTIVE PAYMENT. I ALSO UNDERSTAND THAT MY RELEASE OF THE PAYMENT TO A THIRD PARTY DOES NOT EXEMPT ME FROM THE PROGRAM REQUIREMENTS OUTLINED IN THE MEASURE SPECIFICATIONS, FINAL APPLICATION AGREEMENT, AND TERMS AND CONDITIONS.

No waiting for your rebate check!

You have already received your Consumers Energy rebate, as your contractor has applied it to your payment, deducting it instantly off your invoice.
