

CONSUMERS ENERGY NEW HOME CONSTRUCTION PROGRAM 2021-2022 TRANSITION UPDATES

Thank you for your continued support of the New Home Construction (NHC) Program. Payments for applications submitted to the Program will resume January 2022. **The last date to submit projects with final HERS Ratings completed in 2021 is February 28, 2022.**

2022 Program Year: Consumers Energy is proud to support Michigan builders who are leading the market in home performance. The Program is introducing additional rebates for homes that support Michigan's clean energy future. Homes with final HERS Ratings on or after January 1, 2022, will follow the new 2022 rebate structure. Stay tuned for further rebate information.

We are also updating our Rater Participation Agreement for the program year. Please reach out to your Program Manager if you have any questions or need any assistance.
