ENERGY STAR® SCHOLARSHIP FOR RESIDENTIAL HERS RATERS

Consumers Energy partnered with Environmental Protection Agency-recognized third-party training organizations to launch a one-year **ENERGY STAR® Scholarship Pilot Program**. To grow our highly-skilled trades network, Consumers Energy will provide 2022 ENERGY STAR scholarships, valued at \$500 each, to 5 RESNET® certified raters.

The training will begin in the first quarter of 2022 with flexible schedule options available.

Benefits of becoming an ENERGY STAR certified HERS Rater:

- Certify ENERGY STAR homes and qualify builders for higher Consumers Energy [financial incentives](#) and federal [tax credits](#)
- Gain a competitive advantage in the market
- Align with a growing demographic of consumers
- Market your affiliation with EPA's well-recognized ENERGY STAR program
- Bring additional revenue into your company

Participation in the pilot is on a first-come, first-served basis. If you are interested in participating, please complete the interest form [here](#).
