

CONSUMERS ENERGY HPwES PROGRAM TECHNICAL BULLETIN SUBSCRIPTION

As a program participant, you will receive technical and program related bulletins to provide you with important insights to help you succeed. You can expect to receive these throughout the year.

Bulletin topics may include, but are not limited to:

- Zonal Diagnostics
- BPI Health and Safety Procedures
- Construction Safety
- Bathroom and Kitchen Fan Sizing
- Attic Ventilation
- Attic Hatch - Best Practices
- Blower Door Testing under unique weather conditions
- Industry Resources / CEU opportunities

Interested in a specific topic? Let us know and we will try to add it to a future update.

Contact us if you would like to add employees or team members to the subscription.

With this subscription, you also will have access to free courses from the Consumers Energy [Energy Efficiency Learning Center \(EELC\)](#). You will receive login credentials for access in a separate email.

Thank you for your continued support of the Consumers Energy Home Performance with ENERGY STAR® program!
