

UPCOMING MIDSTREAM ONLINE INTAKE TOOL (MOIT) TRAININGS

DTE Energy and Consumers Energy are excited to announce a new enhanced Midstream Online Intake Tool (MOIT) for the Heating, Cooling and Water Heating (HVAC) program. We are confident that you will find the enhanced website convenient to use - resulting in easier access to program information that you use to promote rebates to your customers!

To learn more about the functionality and benefits of the MOIT submission tool, please register for an upcoming training using the ZOOM link below.
