

FEDERAL TAX CREDITS EXTENDED FOR ENERGY EFFICIENCY PROJECTS

We'd like to share some exciting information about the renewal of [Federal Income Tax Credits For Energy Efficiency](#). These Federal Tax Credits are good through Dec. 31, 2020 and can help your customers offset the cost of upgrades even further. Tax credits are available for HVAC products, water heaters, insulation, and windows, doors and skylights. Make sure to inform your customers that they should speak to their tax advisor about any tax credits they plan to claim.

Thank you for your continued support of the Consumers Energy Home Performance with ENERGY STAR® (HPwES) program and Insulation and Windows (INWIN) program! Please contact the Account Advocate team with questions.
