

FEDERAL TAX CREDITS EXTENDED FOR ENERGY EFFICIENCY PROJECTS

For participants who are not already aware, we'd like to share some exciting information about the renewal of [Federal Income Tax Credits For Home Builders](#). These Federal Tax Credits are good through Dec. 31, 2020 and can help builders offset the cost of upgrades even further. Please speak with your tax advisor about any tax credits you plan to claim.

Thank you for your continued support of the Consumers Energy New Home Construction program. If you have any questions, please contact David Anderson.
