II. RESIDENTIAL TUNE-UP PROJECTIONS

	Boilers	Furnaces	Air Conditioners
About how many residential furnace, boiler and central air conditioner tune-ups do you expect to perform within the Consumers Energy service territory for this calendar year?			
How many Consumers Energy qualifying furnace, boiler and central air conditioner tune-ups do you plan to perform in this calendar year?			

III. CONTRACTOR PARTICIPATION

Contractors wishing to participate in the Furnace, Boiler and Central Air Conditioner Premium Tune-Up program must first be registered with the Consumers Energy Residential Heating, Cooling and Water Heating program and have a completed Contractor Participation Agreement on file. Contractor agrees to complete the rebate submission using the contractor online application or mobile application on behalf of the homeowner. Contractors will be listed on the **Find a Contractor** webpage under "Heating Comprehensive Tune-Up Services" and "Cooling Comprehensive Tune-Up Services" and are required to perform eligible tune-ups when requested by a Consumers Energy customer. Failure to offer services will result in removal from the Tune-Up Participating Contractor list.

All rebate submissions require a completed Furnace, Boiler and Central Air Conditioner Tune-Up worksheet (iManifold AC reports qualify) and a copy of your invoice to the homeowner. **If service is prepaid maintenance, invoice must state: Prepaid maintenance value: <state value>.**

IV. CONTRACTOR AGREEMENT

ON BEHALF OF THE CONTRACTOR, I HAVE READ AND UNDERSTAND THE TERMS OF THIS AGREEMENT AND VOLUNTARILY ENTER INTO IT.
