

UPCOMING WHOLE SYSTEM BONUS PROMOTION

In support of the Residential Heating, Cooling and Water Heating (HVAC) programs, Consumers Energy and DTE Energy have collaborated on a limited-time bonus rebate for all residential Consumers Energy and DTE Energy customers.

Customers who install **both** a high-efficiency furnace **and** a high-efficiency air-conditioning system during the promotion period will be eligible for a \$300 bonus in addition to all standard program rebates.

The promo code (WSB2019) will redeem exclusive bonus savings for systems installed from **May 1 through June 30, 2019**.

Eligible applications with installation dates during the promotion period must be submitted by July 31, 2019 for the promotion to be applied.

Whole System Bonus:

- Must install all of the following equipment at the same time and at the same premise during the promotion period to be eligible:
 - 97% AFUE or higher furnace - AHRI certified
 - 17 SEER or higher air conditioner - AHRI certified
 - \$300 bonus rebate is paid in addition to each program's standard rebate(s) for relevant furnace and AC measures, as well as any additional measures installed

Please note:

- The following customer types are eligible for the bonus:
 - Combination (both electric **and** natural gas) service from Consumers Energy or DTE Energy
 - Electric service from Consumers Energy **and** natural gas service from DTE Energy
 - Natural gas service from Consumers Energy **and** electric service from DTE Energy
- Bonus is not applicable to customers who installed any of these measures outside of promotion period. Bonus is not retroactive for any installations prior to May 1.
- Matched systems must have AHRI certificate showing all the listed components:
 - Furnace, evaporator coil and condenser coil must be included on AHRI certificate
 - If the installed AC system has an AHRI certificate that specifies a furnace model, then that specific furnace model must be installed in order to be eligible.
- Valid for installation dates between 5/1/2019 - 6/30/2019
 - Applications must be submitted by 7/31/2019

- Participating contractors **must** provide promo code WSB2019 at time of submission via online application tool.
- Multiple bonuses are available for multiple eligible heating and cooling systems installed at the same premise
