**CONSUMERS ENERGY  
COOLING COMPREHENSIVE TUNE-UP SEMINARS**

In support of the Residential Heating, Cooling and Water Heating (HVAC) program's cooling comprehensive tune-up offerings, Consumers Energy is co-hosting a series of upcoming training seminars with DTE Energy. Field service technicians, service managers and administrative staff are invited to participate in a free seminar covering:

- Comprehensive tune-up requirements
- New wireless technology and apps
- Non-invasive testing
- Safety concerns
- Marketing comprehensive tune-ups to your customers
- Submission requirements

The cooling comprehensive tune-up training qualifies for North American Technical Institute (NATE) and Building Performance Institute (BPI) CEUs. Be sure to bring your NATE and BPI technician information to the seminar.
