ENERGY STAR® SCHOLARSHIP FOR RESIDENTIAL HVAC CONTRACTORS

Consumers Energy partnered with Environmental Protection Agency-recognized third-party training organizations to launch a one-year **ENERGY STAR® Scholarship Pilot Program**. To grow our highly-skilled trades network, Consumers Energy will provide 2022 ENERGY STAR scholarships, valued at \$1,050 each, to 15 HVAC contractors who sign up.

The training will begin in the first quarter of 2022 with flexible schedule options available.

Benefits of becoming an ENERGY STAR certified HVAC Contractor:

- Gain a competitive advantage in the market
- Provide a higher quality install
- Align with a growing demographic of consumers
-
- Provide services for ENERGY STAR new home builders
- Market your affiliation with EPA's well-recognized ENERGY STAR program
- Bring additional revenue into your company

Participation is on a first-come, first-served basis. If you are interested in participating, please complete the interest form [here](#).
