

## 2019 CONSUMERS ENERGY INSULATION AND WINDOWS PROGRAM DOCUMENTS

Consumers Energy is pleased to announce the continuation of the Insulation and Windows (INWIN) program in 2019. Effective Jan. 1, 2019, the INWIN program will be distributing new documents. Contractors should also note an **incentive increase**; all applications received after Jan. 1, 2019 will be eligible for new incentive levels.

2019 INWIN program documents are available on the [Trade Ally website](#). To order printed copies of the documents listed below, please complete and submit a [Material Request Form](#).

**Programmatic Differences** - as of Jan. 1, 2019, include tiered rebates for attic insulation:

Attic Insulation Tiers with incentives:

R Value	Gas/Combo	Electric
48 or less	\$125	\$50
49 to 59	\$175	\$60
60 or higher	\$200	\$70
