

## TECHNICAL BULLETINS SURVEY FOR FEEDBACK

As a New Homes Construction Program Participant, you have access to free field training and monthly technical bulletins. As of August 2021, the Programs have deployed a full year of Technical Bulletins covering a range of topics including:

- Whole Home Air Sealing
- Insulation Grading
- How to Prepare for HERS Ratings

2020-2021 Bulletins: [Download this Dropbox folder](#) to view the technical bulletins shared over the last year.

The Programs would like to take this opportunity to get your feedback on how these Technical Bulletins can improve to meet your needs and interests.
