IV. Terms and Conditions

APPLICATION: This application and any required additional documentation, including the homeowner-contractor contract agreement, must be filled out completely, truthfully, and accurately. Participants are advised to retain a copy of this application and any accompanying documentation submitted to Consumers Energy under the Home Performance with ENERGY STAR Program. Consumers Energy will not be responsible for lost documentation pertaining to this application request. This program covers projects completed and installed on or after January 1, 2012. Details of this program, including incentive levels, are subject to change or cancellation without prior notice. This application with required documentation must be received within 30 days of installation completion and within six months of the HPwES home energy assessment. Funds for incentives are limited and available on a first-come, first-served basis. Incentive amounts are valid through December 31, 2012. Please allow six to eight weeks for incentive processing. Please call (877) 40-HPWES (47937) or visit consumersenergy.com for the most up-to-date program details.

ELIGIBILITY: This offer is valid for Consumers Energy residential customers applying only through Consumers Energy Home Performance with ENERGY STAR program who are Consumers Energy natural gas and/or electric customers. Participants must be Consumers Energy residential customers who have either electric heat, or central air conditioning, for electric customers; or central gas furnaces or gas boilers for natural gas customers. Participant homeowners must use a Consumers Energy Trade Ally contractor that is an active participating contractor in the Consumers Energy Home Performance with ENERGY STAR program. Visit consumersenergy.com for a list of active contractors. This offer is not valid for new construction homes, condominiums containing five or more attached units, apartments, mobile homes, or commercial properties. For other programs, please visit consumersenergy.com. Eligible incentives are listed at consumersenergy.com.

APPROVAL, VERIFICATION, AND INSPECTION: Prior to any payment of incentives, Consumers Energy reserves the right to verify all installed energy-saving measures. Participant's contractor will verify that the installed energy-saving measures meet all applicable building codes; zoning laws; local, state, and federal requirements; and other relevant requirements. Contractor is responsible for any applicable permits as required by code/law. Participant's home also may be selected for a quality control post-installation inspection by the Program Implementer ICF International. No warranty is implied by this inspection.

PROOF OF PURCHASE: Homeowner-contractor contract agreement for energy improvements must accompany each Home Performance with ENERGY STAR Homeowner Agreement. The contract copy must include a detailed scope of work indicating insulation levels, infiltration reduction, duct sealing, heating, cooling and water heating improvements (type, make, model, and serial numbers), lighting, water heating measures (type, make, model, and serial numbers), home location, and the date of contract.

PAYMENT: Please allow six to eight weeks for payment. Payment processing may take longer if information is missing on the application. Please call (877) 40-HPWES (47937) if you have questions about your incentive or accompanying documentation.

V. Signatures

Consumers Energy Home Performance with ENERGY STAR incentives from Consumers Energy cannot be processed unless all of the appropriate fields of this Rebate Application are complete. Please be sure you have read the terms and conditions of this agreement. Attach a copy of a signed contract between the contractor and customer, including a detailed scope of work indicating eligible improvements, including insulation levels, infiltration reduction, duct sealing, and heating, cooling and water heating improvements (type, make, model, and serial numbers), and the date of installation.

I HAVE READ AND UNDERSTAND THE TERMS AND CONDITIONS ABOVE. I CERTIFY THAT THE INFORMATION I HAVE PROVIDED IS TRUE AND CORRECT AND THE IMPROVEMENTS, PRODUCT(S), AND/OR EQUIPMENT FOR WHICH I AM REQUESTING AN INCENTIVE MEETS THE REQUIREMENTS IN THIS AGREEMENT.

Once the agreement is completed, provide the signed copy to your contractor to submit with your incentive application.

TAX LIABILITY: Consumers Energy will not be responsible for any tax liability that may be imposed on the homeowner as a result of the payment of incentives. Please contact your tax advisor for more information.

FACSIMILE/SCANNED: Facsimile transmission of any signed original document, and the retransmission of any signed facsimile transmission, must be the same as delivery of the original signed document. Scanned original documents transmitted to the Program Implementer ICF International as an attachment to electronic mail will be the same as delivery of the original signed document. At the request of Consumers Energy, the participant must provide the original document to confirm documents sent with a facsimile transmitted signature or a scanned signature.

ENDORSEMENT: Consumers Energy does not endorse any particular manufacturer, product, system design, claim, or contractor in promoting this program.

INFORMATION RELEASE: Participant agrees that Consumers Energy may include participant's name, Consumers Energy services used, and resulting energy savings in reports or other documentation submitted to Consumers Energy, and/or the Michigan Public Service Commission. Consumers Energy will treat all other information gathered in evaluations as confidential and report it only in the aggregate.

LIMITATION OF LIABILITY: Consumers Energy's liability is limited to paying the incentive specified. Consumers Energy IS NOT LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES OR FOR ANY DAMAGES CONNECTED WITH OR RESULTING FROM PARTICIPATION IN THIS PROGRAM. Consumers Energy reserves the right to not pay this incentive if the form is not filled out completely and accurately.

WARRANTIES: Consumers Energy DOES NOT WARRANT THE PERFORMANCE OF MEASURES OR OF INSTALLED EQUIPMENT EXPRESSLY OR IMPLICITLY. Consumers Energy makes no warranties or representations of any kind, whether statutory, expressed, or implied, including without limitations, warranties of merchantability, or fitness for a particular purpose regarding any energy efficiency measure provided by a manufacturer or vendor. Contact your contractor for details regarding equipment/measure performance and warranties.

PROPERTY RIGHTS: Participant represents that the participant has the right to complete and/or install the energy-saving measures on the property on which those measures are completed and/or installed and that any necessary landlord's consent has been obtained.

OWNER'S CERTIFICATION: Owner certifies that he/she has purchased and has agreed to install the eligible improvement measures and equipment listed in this Rebate Application at the defined location. Owner agrees that all information is true and that he/she has conformed to all program and energy-efficient improvements and equipment requirements listed.
